THOUGHT FOR THE WEEK

NM 11:25-29; PS 19:8, 10, 12-13, 14; JAS 5:1-6; MK 9:38-43, 45, 47-48
In our readings this week, Eldad, Medad, and the man driving out demons were all doing the work of God. They had been entrusted with a gift and used it to glorify the Lord. Joshua and John should have responded in joy and appreciation for another's gifts and talents.

We oftentimes look at another's strengths as our weakness whether it be in parish life, in the workforce, or even in our own families.

Jesus is calling us to cut out those sinful thoughts and attitudes from our lives. The next time we witness someone being a good steward of God's gifts — rejoice! And continue to examine how you are using your gifts and talents to ensure you are being a good steward of what God has entrusted to you.

We do not want to end up like the rich in our Second Reading from St. James. They stored up their riches to the point where they withheld wages from their workers! They clenched tightly to the pleasures and luxuries that the world offers and put it in front of both God and their neighbor. They misused the gifts God bestowed on them.

We must keep this in perspective as we journey on our path as Christian stewards. We do not live for this life, but for the next.

He has given us time every day, countless talents, and numerous treasures. Are we using them for His glory?

This week when we witness other people in our lives using the gifts God has given to them, instead of becoming jealous or critical, say a prayer of thanksgiving and take time to reflect on what God has gifted you and how you can offer it to Him for His glory.

"Volunteers Needed: Once a month from October to May to assist with the Rosary program at Blessed Sacrament School. If you can spare 1 hour each month to bring the love of the Rosary to our school, please contact the Parish office. "

The Hamilton Catholic Physicians Guild

Wondering how to live your faith as a medical student, staff physician, or health care professional? This is the big challenge in today's secular society, especially in medicine, where we are confronted regularly with ethical dilemmas in end-of-life care, freedom of conscience and the intersection of the Catholic Faith and clinical health care practice.

The Hamilton Catholic Physicians Guild comprises a welcoming group of physicians and health care professionals, who invite you to join us, attend presentations we host, and participate in discussions pertaining to medical ethical issues, spiritual and social events. In addition, our society offers educational opportunities to attend retreats and conferences which provide a great venue for partnership.

Those interested, please contact Dr. Anne Niec (nieca@mcmaster.ca) or Dr. David Chan (dchan@mcmaster.ca).
