### THOUGHTS FOR THE WEEK

ACTS 2:14A, 36-41; PS 23:1-3A, 3B4-6;  
1 PT 2:20B-25; JN 10:1-10

Today's readings on this fourth Sunday of Easter offer us a glimpse into the heart of our loving Savior. He is the Good Shepherd and we can confidently place our trust in Him as we live the stewardship way of life.

This endearing image of Jesus as our shepherd, and His personal love for each one of us, is described in our Gospel passage from John, through the words of Jesus Himself. Here we read Jesus' description of Himself as the "Good Shepherd." He says of Himself, "The sheep hear his voice, as the shepherd calls his own sheep by name and leads them out. When he has driven out all his own, he walks ahead of them and the sheep follow him, because they recognize his voice."

This aspect of our Lord's tender and personal love for each one of us is a compelling reason to embrace the stewardship way of life — in the offering of our time, talent, and treasure to Him, we can express our gratitude to Him for the incomprehensible love He has for us.

Embracing this way of life certainly requires trust on our part. But Christ has proven Himself worthy of our trust. He "bore our sins in His body." He calls Himself our shepherd and He offers Himself as the guardian of our souls. He has withheld nothing of Himself and His goodness from us. He would never ask anything of us that would bring us harm. He tells us "I came so that [you] might have life and have it more abundantly."

This Easter season, let us resolve to entrust ourselves and our lives gratefully to Him.

**Vacation Bible School Training Day** Many of our parishes are blessed to have teens and young adults involved in the preparation and leadership of Vacation Bible School experiences. The Office for Youth Ministry and the Office for Evangelization and Catechesis warmly welcome all VBS coordinators and youth leaders to a day of formation and training on Saturday, May 9th, 2026. Marriage Tip

All people have busy times in their lives when they seem to need more hours in a day than the actual twenty-four hours allows! It is essential then that we stop long enough to ask ourselves what really matters to us and then to ensure we adjust our schedules accordingly. A spouse should not be on the short end of receiving your time and attention (nor should your family). Set up a date night regularly, be sure to eat at least one meal (even if it is early morning breakfast) together most days, take time to pray together and attend church together. Life is hectic but sacrificing time with the one you love will not help you get more done, it will only help to distance you from the one you need most.
